

# Mobile Tracker Ensures COVID Vaccine Compliance

Now that the first person in America has been vaccinated for COVID-19, have you created a vaccination plan for your workplace?

Engage by Cell is excited to announce the newest addition to our Safety Suite, the COVID Vaccine Tracker.

We're all eager for things to return to normal, so provide a way for your employees to self-report that they've received their vaccine so that you can move forward with confidence.

NEW!

Try it! Text DEMO VACCINE to 56512

This mobile web application and text messaging platform will help you:

- Notify employees of your vaccination policies
- Send vaccination information and instructions
- Request proof of vaccination documentation\*

Fully customizable, the COVID Vaccine Tracker requires no downloads and no IT department. Plus, with a 98% open rate, text messaging is the most effective way to communicate with your staff.

**\*Disclaimer:** Engage by Cell is simply a communication platform. We do not conform to HIPAA guidelines for handling personal medical information, and usage of our platform should reflect that understanding.
